REFLEXIONZ

13th Annual Day Celebration - Nov' 2022

Annual Report

A very happy morning to all! It is a privilege to stand before the august gathering on the 13th Annual Day Celebration of GTA Vidhya Mandir REFLEXIONZ 2K22, on the theme 'Varnam' - means colour.

Colours are believed to be the manifestation of life on Earth- ultimately the God. They have the power to convey moods and feelings. Hope today you will travel with us to the world of colours. We are very glad to celebrate this year school Annual Day after 2 years of pandemic. We thank the Almighty for all the blessings bestowed upon us during those days.

We at GTAVM have always believed in keeping our happiness quotient of our staff, students and the parents high. Every day gives you an astounding experience of learning and enlightenment. The well experienced teaching fraternity of GTAVM shall leave no stone unturned in preparing our students globally competitive and morally equipped. Our teachers enhance their roles with zeal and passion and involve themselves wholeheartedly in sculpting the students into responsible citizens of this country.

Our students, of course, are very dynamic, receptive and innovative that they excel in academics, sports and extra-curricular activities

This report reflects on the key events that happened since the academic year 2021-22.

Nothing could depreciate our spirit during pandemic. Though there were a lot of hurdles in organizing programmes we could celebrate our Founders Day - Parampara an interschool cultural Fest through online platform for both the academic years 2020-21 and 2021-22 on a very grand scale. We had participants from other states and also from other countries. Our students made innovative science projects and displayed / demonstrated them online. The science expo – Inspired to Innovate 2022 and the Ramanujam Day were also no exemption for the enthusiastic participation of the students online.

Future ahead

At GTAVM we constantly believe in change for the betterment of our student community, in this regard we are on the plan for upgrading the Curriculum from KG-5 for the next academic year.

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great.” Last but not the least, it is true that all the progressive and praiseworthy work has been possible only because of the massive cooperation of everyone associated with School. Our sincere thanks go to the management, trustee members, students, teaching & non-teaching staff. We would like to extend our special thanks to all the parents, who were always there to follow us. Hope our journey will continue for many decades to come. Sit back and enjoy the show. Thank you
